IDENTIFIERS Outward Bound; Rope Courses

ABSTRACT

Focusing on the therapeutic aspects of camping experiences for delinquent and psychologically disturbed youth, this 382-item bibliography lists books, journal articles, theses, dissertations, and unpublished reports written from 1928 to 1983 on adventure education, wilderness experience, Outward Bound, therapeutic camping, experiential learning, ropes courses, and games. Arranged alphabetically by author in a single listing, each citation provides the author's name, title, date and place of publication, and pagination. (NEC)
